Docket # OOD-1598 + OON-1396

Dear Commissioner -

As a consumer, I am concerned about the quality of my food + its impact on human + environmental health. Therefore, I urge you to re-think your position on genetically modified foods to require both premarket safety testing + labeling of these new foods, so that I may feel confident about my freedom of choice. Sincerely,

Kara Vanlandingham 142 Verano Lp. Santa Fe NM 87505
